

Into The Sunshine

El Perro del Mar

Into the sunshine
Into the sunshine
Into the sunshine
Into the sun
Tell me when
Can I see you again
Tell me how
Far did you go
And did you find
A new place to stay
Please make sure you let me know the way
You know they say
Possibly
You won't meet again
Most certainly
This was the last time
But he's too open
You was happy to go
Into the sunshine
Into the sunshine
Into the sunshine
Into the sunshine...
Going back into the sun
Going back into the sun
Going back into the sun...
Go
