

Somebody's Baby

El Perro del Mar

Somebody's baby
Somebody's baby
Somebody's baby
Somebody's baby
You was somebody's baby but
You went back into the sky
Want somebody's daddy but
You kissed them all goodbye
There's an end for everything
There's an answer for everyone
Just like the day when you was born
You will oh always be
Somebody's baby
Somebody's baby now
Somebody's baby now
Somebody's baby now
Somebody's baby now
Somebody's baby now... .
