

## Wipe Me off This Earth

El Perro del Mar

'Round 'round 'round 'round wipe me off this earth  
'Round 'round 'round 'round wipe me off this earth  
Put me down down down til I'm wiped off of this earth  
'Round 'round 'round 'round wipe me off, wipe me off

This earth has a bond with death  
What seems like disorder is divine order  
Like music, like music  
Don't cry, don't cry

'Round 'round 'round 'round wipe me off this earth  
'Round 'round 'round 'round wipe me off this earth  
Put me down, down, deep down 'til I'm wiped off of this earth  
'Round 'round 'round 'round wipe me off, wipe me off

This life has a deal with time  
What seems like confusion is coordinated  
It's like water, like water  
And it flows, we flow

'Round 'round 'round 'round wipe me off this earth  
'Round 'round 'round 'round wipe me off this earth  
Put me down, down, deep down 'til I'm wiped off of this earth  
'Round 'round 'round 'round wipe me off, wipe me

Just like music, like music
