

All Of A Sudden

El Snappo

(Baby, give me some cash)
My own bitch wouldn't even love me (She ain't love me)
My side bitch wouldn't even fuck me (Wouldn't give me no pussy)
I was dingy, musky (I was muskier than a bitch)
Poppin' all of a sudden (I swear)

I was on my dick, my own bitch wouldn't even love me (I swear)
When I ain't have my paper right, my side bitch wouldn't even fuck me (I swear)
Remember I ain't have a penny, I was dingy, I was musky (I was musky)
Turned nothin' into somethin', now I'm poppin' all of a sudden (All of a sudden)
I was on my dick, my own bitch wouldn't even love me (I swear)
When I ain't have my paper right, my side bitch wouldn't even fuck me (I swear)
Remember I ain't have a penny, I was dingy, I was musky (I was musky)
Turned nothin' into somethin', now I'm poppin' all of a sudden (All of a sudden)

Remember I ain't have a penny, I was dingy, I was musky
When I ain't have my motion right, my bitch wouldn't let me get no pussy
Now I got my chicken right, don't play with me, go play the boogie
This lil' ho ain't really for me, I was broke, they overlooked me
Turned nothin' into somethin', now I'm poppin' all of a sudden
GLC 300 coupe, fully loaded, push button
Ain't nobody gave me nothin', got this shit here off of hustlin',

All I know is keep it hundred, phone swingin', trap bumpin'
When I was on my dick, my own bitch wouldn't even love me
How the fuck I'm 'posed to feel? The bitch I'm fuckin' actin' funny
Either you're with me or against me, I ain't trippin' 'bout nothin'
Fell in love with the money, can't put my trust in a woman

I was on my dick, my own bitch wouldn't even love me (I swear)
When I ain't have my paper right, my side bitch wouldn't even fuck me (I swear)
Remember I ain't have a penny, I was dingy, I was musky (I was musky)
Turned nothin' into somethin', now I'm poppin' all of a sudden (All of a sudden)
I was on my dick, my own bitch wouldn't even love me (I swear)

When I ain't have my paper right, my side bitch wouldn't even f
uck me (I swear)
Remember I ain't have a penny, I was dingy, I was musky (I was
musky)
Turned nothin' into somethin', now I'm poppin' all of a sudden
(All of a sudden)
