El Snappo

Huh (Damn, Yak), huh

Huh, huh

Huh, huh, I'm havin' pape' for real, them packages come in vacuum seal

The plug love to front it on my face, I make it disappear
Pull up in a "What is that?" I'm gone, you can't chase a Scat
You know dope sold, money fold, can't get no money back
Ho, it ain't no love in my body, I can't get attached
Ho, it ain't no love in my body, I can't get attached

Pulled up in a "What the fuck is that?" Look how I did the dash
Crackers got behind me on the interstate and I burnt his ass
Ho, I don't smoke no motherfuckin' 'za, I'm on that Zootie pack
Ho, I'm tryna, break your back
Ho, I'm tryna, break your back
And fuck you with no strings attached, lil' baby, I ain't havin' that

I don't like no cotton mouth head, you gotta gobble that
If your pussy dry, I'ma block your number and I ain't callin' back
If you looking for me, I'm probably somewhere where the dollars at

I can turn water into wine, turn coke to crack

Shallow Side, baby, I was bustin' licks in Habitat
Shaved pussy overrated, baby, I like that cabbage patch
Pull up in a cocaine white Mercedes, thumbnin' through them racks

If you fuck me good, I'm takin' you, shoppin' sprees at Saks
Pull your phone out right now, text your baby daddy you ain't comin' back

The plug love to front it on my face, I make it disappear
Pull up in a "What is that?" I'm gone, you can't chase a Scat
You know dope sold, money fold, can't get no money back
Ho, it ain't no love in my body, I can't get attached
