

Call Me Kendrick

El Snappo

(Mike Mixer is in the building)

Uh-huh

(Damn, Yak)

Hop out, hit a nigga ass with that Drac' like I'm Ken

Uh-huh, chasin' cheese, nigga, I'm on it

Haters out here trollin', get off my dick like a Trojan

Pullin' all-nighter, I'm still sellin' dope in the mornin'

For all the times locked up in that cell, I bought a Rollie

Uh, I'm the hardest of the century

On my Zootie, ain't nobody fuckin' with me

Even though I'm an artist, keep my name out your mentions

Hop out, hit a nigga ass with that Drac', call me Kendrick

Uh, I'm the hardest of the century

Hop out with that Drac', hit a nigga ass, call me Kendrick

Nigga, don't make me tweak, I go to spinnin' 'til I get dizzy

If I miss my target, I'ma spin again like a frisbee

Uh, chasin' cheese, nigga, I'm on it

That broke shit a disease, that's the new COVID

Promoter ain't send my money, dial tone, nigga, don't call back

You got one time to show me a flaw, I'ma fall back

You got a problem, calculator, um, we can solve that

The way I'm stackin' up printer paper, ho, I'm ballin'

I'm in the trap, baggin' up that Bobby Womack

If you ain't talkin' 'bout spendin' no racks, nigga, hold that

Uh-huh, chasin' cheese, nigga, I'm on it

Haters out here trollin', get off my dick like a Trojan

Pullin' all-nighter, I'm still sellin' dope in the mornin'

For all the times locked up in that cell, I bought a Rollie

Uh, I'm the hardest of the century

On my Zootie, ain't nobody fuckin' with me

Even though I'm an artist, keep my name out your mentions

Hop out, hit a nigga ass with that Drac', call me Kendrick
