

Michael Phelps

El Snappo

(What y'all know 'bout Shank?)

Kilo bracelet on the wrist, got a Carti' on the left
Valley park the Maserati, when I hop out, I'ma step
Kilo bracelet on the wrist and got a Carti' on the left
Valley park the Maserati, when I hop out, I'ma step

Look, thuggin' 'til they take my last breath
On the stage with that frrt, how I get a switch in here?
In the trap with that- shh, I could make it disappear
I got molly, I got zootie, I got crystal, I got meth
Dope in the water, it's gon' swim like Michael Phelps
I got two bad bitches in here touchin' on they self
Kilo bracelet on the wrist and got a Carti' on the left
Valley park the Maserati, when I hop out, I'ma step

I don't play for Golden State, I keep that 30 like I'm Steph
Kilo bracelet on my wrist and got a Carti' on the left
Poppin' Yerkies back-to-back, I'm probably fuckin' up my health
Been a thug since I was young, but I ain't sign to YSL
Dope in the water, it's gon' swim like Michael Phelps
Fuck I look like? Ain't no record label puttin' me on the shelf
If rap don't work, it's back to servin', sendin' packets through the mail

Tryna book me for a show, you better send that shit through Zelle

Swervin' in the Bentley, how I'm livin', MTV
Everyday I'm lit, my life should be on DVD
See four hundred bands, I ain't do a PPP
When you drop that neck, baby, suck me 'til I'm sleep (Ooh)
I ain't a US Marshal, I'll never cuff a ho
Real trap nigga, I got rich off sellin' dope, uh-huh
VVS shinin' like a fuckin' chandelier
On the stage with that frrt, how I get a switch in here?
