

Sticky Situation

El Snappo

(Damn, [?], you cookin' up)

Sticky situation, I made it out
In the penitentiary, walk around with [?] in my socks
Grew up sellin' dope, I was the youngest on the block
Grew up playin' cops and robbers, I ain't never wanna be a cop

Grew up playin' cops and robbers, I ain't never wanna be a cop
Catch an opp, up the camera on him, crop his ass out
Chop caught attempted murder and it kinda piped up
My dawg kept his mouth shut, the crackers had to let him out
Bullet Snappo, he in Texas, now he on a different route
Swissed it up, was hatin', they ain't wanna see 'em sprout
Double-R, remained real, I ain't never chasin' clout
Young [?] Pablo Escobar, made it through the drought
Cops and robbers, I was the one who always wanted to trap-house
Drop pearls in my mouth and let my wicks grow out
Candy-paint the [?], on the weekend bring it out
Yo' bitch wanna fuck me 'cause I brought that bag out
