

Sad Case

EL VY

I've been wondering what to do
I'd give anything to talk to you
I've been thinking some peaceful thoughts
Open windows and hear four knots

Michael, I've been a sad case
Michael, I've been a sad case

When St. Louis turns off its lights
I will talk to you through the night
We won't break anybody's backs
Let's just keep our eyes on the cracks

Michael, I've been a sad case
Michael, I've been a sad case

It takes a lot of time
And it takes a little bit of cryin'
To get your mind off
It takes a lot of time
And it takes a little bit of cryin'
To get your mind off

I've been walking past the place
In West Florence, an avenue
None of them remember me
And none of them remember you

One thing at a time goes
Through my mind
One thing at a time goes
Alright

It takes a lot of time
And it takes a little bit of cryin'
To get your mind off
It takes a lot of time
And it takes a little bit of cryin'
To get your mind off

Michael, I've been a sad case
Michael, I've been a sad case
