

# Going Nowhere Slowly

Elaine

Is it cause I walk and I talk and never show my feelings no  
Is it that you see all my pain from before and I can take some more  
You can't deceive me over and over  
It's like oh my gosh  
I recall it all but you were barely sober

You don't respect me  
You got me fucked up way too deep  
I don't deserve this  
Gave you the realest part of me  
How do I word this  
How do I word this

You just expect things  
It's your entitled vanity  
I don't deserve this  
Why do you love insanity?  
How do I word this?  
How do I word this?

You don't respect me  
Oh You don't respect me no  
You don't respect me  
You don't respect me  
You don't respect me

And no matter what you do or what you say  
There is nothing that can make me stay  
You know I've seen it all so I'm done with all the silly games you play  
I don't need your protection or your sympathy so don't come my way  
I ain't saying it's complicated but I just don't feel the same no

You don't respect me  
You got me fucked up way too deep  
I don't deserve this  
Gave you the realest part of me  
How do I word this  
How do I word this

You just expect things  
It's your entitled vanity  
I don't deserve this  
Why do you love insanity?  
How do I word this?  
How do I word this?

You don't respect me  
Oh You don't respect me no  
You don't respect me  
You don't respect me  
You don't respect me
