

Baby, take my hand  
Hold on tight, don't be scared  
It's alright, baby  
You should live inside of your moment  
Let go, just be yourself, baby

All eyes locked on you  
Are they seein' what I'm seein', baby?  
Ooh-ooh  
Like diamonds flashin' lights  
Your aura's so bright when I'm near you, baby

I don't wanna stop your shine  
'Cause I love it when you shine (Yeah)  
I just hope they know you're mine  
When they see you shine  
Like the sun in the sky and the moon at night

I don't want you to hide it  
Go ahead and let the world see you glow, baby (Glow, babe)  
I wanna see you glow, baby (Glow, babe, yeah-yeah, yeah)  
Burn it up once you ignite it  
Don't contain yourself, just explode  
I wanna see you blow, baby (Blow, baby)  
I wanna see you blow, baby

All eyes locked on you  
Are you seein' what I'm seein', baby?  
Ah-ooh, ooh-ooh, ooh  
Like diamonds flashin' lights  
Your aura's so bright when I'm near you, baby, yeah-yeah

I don't wanna stop your shine  
'Cause I love it when you shine (Yeah, I love it when you shine)  
I just hope they know you're mine  
When they see you shine  
Like the sun in the sky and the moon at night

Ooh, shine for me (Shine)  
I love it when you shine for me (I love it when you shine)  
Oh, baby shine for me (Yeah)  
I love it when you shine for me  
I love it when you shine for me

I don't wanna stop your shine  
'Cause I love it when you shine (Yeah, I love it when you shine)  
I just hope they know you're mine  
When they see you shine  
Like the sun in the sky and the moon at night
