

## Stone Cold

Elaine

Stone cold heart yeah I've been running on fuse  
I don't wanna hear baby I don't wanna talk I'm being rude  
Cause I gave you all my attention  
And I gave you all that I had

Heal I got nothing left for you  
Leave  
Gave too much got none to lose  
I'm tired of all your excuses won't you cut me loose (please cu  
t me loose)  
I'm tired of all your excuses won't you cut me loose (please cu  
t me loose)

Heal  
Leave  
Leave

Heal I got nothing left for you  
Leave  
Gave too much got none to lose  
I'm tired of all your excuses won't you cut me loose (please cu
