But let's say heart right from the start

How - she's got a summer body

No chances for you, loser

How - get back to your dreaming

And all but not to choose her

She's number one

Tüp түп түп түп түүп тү тү түп

She's left the boys in only

Some getting from up lonely

She's number one

Tüp түп түп түп түүп тү тү түп

Tüp tüp tüp tüp tüüp tü tü tüp  
Tüp tüp tüp tüp tüüp tü tü tüp

Number one
