F            C                              B                F
I saw you my love in a dream as you are walking past the trees
            C                   B              F
Your tender voice was crowning sweetly magic song
           C                                      B               F
Hot summer sun kissed your hair as you were dancing in the breeze
B           C              B     A G F
I have been dreaming very long

Your dress is made of some tiny claps and growing drops of tear
Your steps are light as sweetly rippled all the street
I wanna lie at your feet and it will be only need for me
I love to shalt your another dream

F           C
Love, love, sweet love
B           C
I wait your pretty veil
Dmi         Ami
Love, love, sweet love
F        B    A  G    F
Show me, show me your face
Love, love, sweet love
Give me your little hand
Love, love, sweet love
Take me home, to you lend

Day after day I will waiting you to hear your magic song
I wanna hear the angel voice just one more day
Please, come to me and become, you know I'm waiting for so long
Just come to me, forever stay

Love, love, sweet love
I wait your pretty veil
Love, love, sweet love
Show me, show me your face
Love, love, sweet love
Give me your little hand
Love, love, sweet love
Take me home, to you lend

SOLO

Love, love, sweet love
I wait your pretty vail
Love, love, sweet love
Show me, show me your face
Love, love, sweet love
Give me your little hand
Love, love, sweet love
Take me home, to you lend    2x
