

# Cleopatra

Elastica

Cleopatra - she did ten thousand  
In her lifetime  
Now that's a wide mouth  
Cleopatra gave a suction  
Oh so unheard of  
She was a wide mouthed girl  
A wide mouthed girl (believe it)  
Cleopatra - she did one hundred  
Roman Centurions  
For after dinner mints  
Cleopatra she gave a service  
With a smile  
She was a wide mouthed girl  
A wide mouthed girl  
Show me a bigger mouth  
What a weak distorted image  
Elizabeth and Richard  
Gave you on the screen  
Of that wide mouthed girl  
Wide mouthed girl (believe it)
