

No Good!

Elastica

Blowing in the dark
Get a spark
You're chatting all the days
I'm a yitch bitch
Itching for this itch
But I don't like all the games

I'm akin to the skin
That you're in
But not been hate erratic

You're the fame game's lame
It's a shame
Doesn't mean you cannot win

I'm special
I'm destruction
I'm free, yeah, yeah
To follow your destruction

I'm flawless
I'm potential
I'm ambition, yeah, yeah
I'm coming out, yeah yeah

No good
No truth
No fun
No one

I'll promise
My potential
I'm ambition, yeah, yeah
I'm coming out, yeah yeah

What do you want it for? (I'm coming out yeah yeah)
What do you want it for? (I'm coming out yeah yeah)
What do you want it for? (I'm coming out yeah yeah)
What do you want it for? (I'm coming out, yeah, yeah)
What is another for? What's one more? (I'm coming out, yeah, yeah)
What do you want it for? (I'm coming out, yeah, yeah)
One last go... yeah! (yeah, yeah)
One last go and we're out of here! (I'm coming out)
