

(Louder, louder)

When you're stuck like glue
When you need some goo
When you're stuck like glue,
Vaseline
When you're black and blue,
Vaseline
La la la la la la la la la la
When you're stuck like glue,
Give me some
When you're stuck like glue
If you'd like to woo,
Vaseline
La la la la la la la la la la
If it's hot like you,
Give me some
Do you need a clue,
I want some
Vaseline, Vaseline, Vaseline,
Vaseline, Vaseline, Vaseline.
