

Afters

Elderbrook

Say you'll stay
Lay down, we can lie awake all day
Lay down heavy when you
Say you'll stay
Ah, say you'll stay

No, save it for the afters
No, save it for the ride
Now take it, take it further
Now lay down, lady, lie
Well, I can be a runner
Now you'll be by my side
Now take it to the afters
Now take it to the afters
Oh, lady, lay

Say you'll stay
Lay down, we can lie awake all day
Lay down heavy when you
Say you'll stay
Ah, say you'll stay
Oh, lady, lay
Say you'll stay
Lay down, we can lie awake all day
Lay down heavy when you
Say you'll stay
Ah, say you'll stay
Oh, lady, lay

No, save it for the afters
No, save it for the ride
Now take it, take it further
Now lay down, lady, lie
But I can be a runner
Now you'll be by my side
Now take it to the afters
Now take it to the afters
Oh, lady, lay

Say you'll stay
Lay down, we can lie awake all day
Lay down heavy when you
Say you'll stay
Ah, say you'll stay
Oh, say you'll stay
Lay down, we can lie awake all day
Lay down heavy when you
Say you'll stay
Ah, say you'll stay
Oh, say you'll stay
Lay down, we can lie awake all day
Lay down heavy when you
Say you'll stay
Ah, say you'll stay
Oh, lady, lay

Say you'll stay

Lay down, we can lie awake all day
Lay down heavy when you
Say you'll stay
Ah, say you'll stay

Say you'll stay
Lay down, we can lie awake all day
Lay down heavy when you
Say you'll stay
Ah, say you'll stay
