## Elderbrook

My Capricorn  
Knows when the love is gone  
'Cause she reads those horoscopes  
But she does it every morning  
And I wait to see  
If we got any hope  
And if the stars align  
She doesn't seem to mind  
Me bein' around at all  
And I hope the karma's right  
But I guess it just relies  
On the day that I was born

La-la, la-la-la, la-la-la-la-la  
No matter where I go  
I'm never in control  
La-la, la-la-la, la-la-la-la-la  
I'll make the stars align for Capricorn

Well, I should get a job  
Down at the magazine  
And I'll change astrology  
And she won't know it's me  
My anonymity  
Is all I'm gonna need  
I'll change a paragraph  
To something better than  
What's already written down  
And then my Capricorn  
Won't know what's going on  
She'll love me even more

La-la, la-la-la, la-la-la-la-la  
No matter where I go  
I'm never in control  
La-la, la-la-la, la-la-la-la-la  
I'll make the stars align for Capricorn  
La-la, la-la-la, la-la-la-la-la  
No matter where I go  
I'm never in control  
La-la, la-la-la, la-la-la-la-la  
I'll make the stars align for Capricorn

I've got to have just a little bit  
You come around when you calm down  
I got the blood-red lipstick  
La-la, la-la-la-la-la  
I've got to have just a little bit  
You come around when you calm down  
I got the blood-red lipstick

La-la, la-la-la, la-la-la-la-la  
No matter where I go  
I'm never in control  
La-la, la-la-la, la-la-la-la-la  
I'll make the stars align for Capricorn  
La-la, la-la-la, la-la-la-la-la

Just like a Capricon  
She won't know when the love is gone  
La-la, la-la-la, la-la-la-la-la  
Just like a Capricon
