

# Difficult To Love

Elderbrook

I'm difficult to love at the best of times  
Oh, at the best of times  
I'm difficult to love at the best of times  
Oh, at the best of times

I should go  
Before I say something I shouldn't say  
'Cause I'm pretty sure  
That you expect me to fuck up again

And maybe you're right  
I might  
Ohh, but you could be surprised  
(Cause) maybe you're wrong  
We're young  
Oh and I got a little time  
But

I'm difficult to love at the best of times  
Oh at the best of times  
I'm difficult to love at the best of times  
Oh at the best of times

I'm high again (high, high, high)  
And maybe that was my mistake (my mistake, my mistake, uhm)  
You said I waste time  
And I never get why you're in love with me

Maybe you're right  
But I don't like the way we fight  
Oh and you could be surprised  
(Cause) maybe you're wrong  
We're young  
Oh and I got a little time  
But

I'm difficult to love  
(Oh) I'm difficult  
(Oh) I'm difficult, I'm difficult, I'm difficult to love

I'm difficult to love at the best of times  
Oh at the best of times  
I'm difficult to love at the best of times  
Oh at the best of times

Oh I'm  
Oh I'm  
Oh I'm difficult  
Diff-difficult  
Oh I'm  
Oh I'm  
Oh I'm difficult  
Diff-difficult

I'm difficult to love at the best of times  
Oh at the best of times  
I'm difficult to love at the best of times

Oh at the best of times  
I'm difficult (I'm difficult, I'm difficult)
