

Dominos

Elderbrook

So what you've fallen?
Go pick it up
One truth is all that
You need to learn

And I hold my tongue
For so damn long

But you didn't know, we don't fall
We're just all dominoes
It's part of the flow, we don't fall
The next old dominoes
But you didn't know, we don't fall
We're just all dominoes
It's part of the flow
The next old dominoes
We don't fall
We're just all dominoes
We're just all dominoes

We're just all dominoes

It's not what you wanted
But it's what you got
And in the fallen
There's always one

But you didn't know, we don't fall
We're just all dominoes
It's part of the flow, we don't fall
The next old dominoes
But you didn't know, we don't fall
We're just all dominoes
It's part of the flow
The next old dominoes
It's part of the flow
The next old dominoes

And I hold my tongue
For so damn long

We're just all dominoes
We're just all dominoes

But you didn't know, we don't fall
We're just all dominoes
It's part of the flow
The next old dominoes
We don't fall
We're just all dominoes
It's part of the flow
We're just all

Didn't know, we don't fall
We're just all dominoes
It's part of the flow
The next old dominoes

We don't fall
We're just all dominoes
It's part of the flow
We're just all dominoes
