

Glad I Found You

Elderbrook

Found you
Glad I found you (I'm glad I found you)

Hey
What's the matter with mine
I'd walk a thousand miles
And more
One day
When you leave me high and dry
And you're gone like the day and night
I'll be

Glad I found you
Found you
Glad I found you (I'm glad I found you)
Found you
Glad I found you
Glad I found you
Found you

My hand
Reach on the passenger side
I'm lost in the greenest eyes
That I know
So hey
When you're tired out and done with me
And fade into memory
I'll be

Glad I found you
Found you
Glad I found you
Found you

(I'm glad I found you)
My friend
My friend

Glad I found you, glad I found you
Glad I found you
Found you
Glad I found you (My friend)
Found you
Glad I found you (My friend)
Found you
Glad I found you
