

Good Enough

Elderbrook

You clear the smoke from your eyes
And it happens every time but you don't mind.
No, you don't mind.

What ever you want, I've got
Is that good enough for you
Is that good enough for you, for you
Don't treat me like you do, cause you do
And you know you do

Is it too much for your love?
But you don't have to stay
If you don't want, if you don't want

What ever you want, I've got
Is that good enough for you
Is that good enough for you, for you
Don't treat me like you do, cause you do
And you know you do

What ever you want, I've got
Is that good enough for you
Is that good enough for you, for you
Don't treat me like you do, cause you do
And you know you do

Is that good enough
Is that good enough
