

# How Many Times

Elderbrook

Is this disguise  
Is this disguise  
Going to play out  
How many times  
How many times  
We had laid out  
You can't decide how to divide  
What you laid out  
And all the lines you drew  
You didn't find what you set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Lies  
Lies that you thought out  
Lies  
Lies [?]  
So many lies  
So many lies  
That you thought out  
It's no surprise your shaking eyes  
Get you caught out  
A little time  
A little time  
And it's alright  
And all the lines you drew  
You didn't find what you set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Set out to  
Oh, you set out to  
  
Lie  
Lies that you thought out  
Lie  
Lie to you
