I O U

Elderbrook

I've got no money left
Cause I spend it all on you
So can I have it back
Now that our time is through

Cause all those breakfasts that I cooked
And those restaurants that I booked
Were never free
I'm sorry you misunderstood
I kept receipts and now it looks
Like you owe me

Cause you owe me
A little bit more than that
Come on and give it back
Yeah, you owe me
A little bit more than that
Come on and come back

And when you do
We'll go out for tea
And it'll be on you
But I know you disagree

Then I'll remind you of the restaurants
And the breakfasts that we had
Back in the day
And then I run off with your credit cards
Be headed for the coast

You owe me
A little bit more than that
Come on and give it back
Yeah, you owe me
A little bit more than that
Come on and come back

Come on and come back
Come on and come back
Come on and come back
Come on and come back

Cause you owe me
A little bit more than that
Come on and give it back
Yeah, you owe me
A little bit more than that
Come on and come back
