

# Let Go

Elderbrook

Don't you wanna let go, let go, let go, oh  
Don't you wanna let go, let go, let go, oh  
Don't you wanna let go, let go, let go, oh  
Don't you wanna let go, let go, let go, oh

We can live forever  
Catchin' up to love  
But that won't make it better  
But that won't change the weather for you

You never wanna go out  
You never wanna be seen  
Don't you wanna go out  
Don't you wanna let go

Don't you wanna let go, let go, let go, oh  
Don't you wanna let go, let go, let go, oh  
Don't you wanna let go, let go, let go, oh  
Don't you wanna let go, let go, let go, oh

I can make it better  
I can make you see  
I could be your savior  
Changin' up the weather for you

You never wanna go out  
You never wanna be seen  
Don't you wanna go out  
Don't you wanna let go

Don't you wanna let go, let go, let go, oh  
Don't you wanna let go, let go, let go, oh  
Don't you wanna let go, let go, let go, oh  
Don't you wanna let go, let go, let go, oh

You never wanna go out  
You never wanna be seen  
Don't you ever go out  
Don't you wanna let go

Don't you wanna let go, let go, let go, oh  
Don't you wanna let go, let go, let go, oh  
Don't you wanna let go, let go, let go, oh  
Don't you wanna let go, let go, let go, oh  
Don't you wanna let go, let go, let go
