

Places

Elderbrook

Oh, hey, hey, oh, mama, tell me where to lay
Oh, it don't matter, come take me away
To a place I remember (oh yeah)
The place I remember

Oh, hey, hey, oh, mama, tell me where to lay
Oh, it don't matter, come take me away
To a place I remember
The place I remember
Oh, hey, hey, oh, mama, tell me where to lay
Oh, it don't matter, come take me away
To a place I remember
The place I remember

(Tell me where and I'll go) a place I remember
(Tell me where and I'll go)
The place I remember (remember)

Someday
Someday
I'll come home
I'll come home
Away
Away, away
So lost
So lost, so lost, so lost, hey

Oh, hey, hey, oh, mama, tell me where to lay
Oh, it don't matter, come take me away
To a place I remember
To the place I remember
Oh, hey, hey, oh, mama, tell me where to lay
Oh, it don't matter, come take me away
To a place I remember
To the place I remember
Hey, hey, oh, mama, tell me where to lay
Oh, it don't matter, come take me away
To a place I remember
To the place I remember

(Oh, oh) to the place I remember
(Oh) to the place I remember
Oh, hey
To the place I remember
Oh, I'll go, go
To the place I remember

Oh, hey, hey, oh, mama, tell me where to lay
Oh, it don't matter, come take me away
To a place I remember
To the place I remember
