Waiting for the sunshine  
Waiting for the sunshine  
Ooh  
Waiting for the sunshine  
Waiting for the sunshine  
Ooh  
Waiting for the sunshine  
Waiting for the sunshine  
Ooh  
Waiting for the sunshine  
Waiting for the sunshine

Waiting for the sunshine  
Waiting for the sunshine  
Ooh  
Waiting for the sunshine  
Waiting for the sunshine  
Ooh  
Waiting for the sunshine  
Waiting for the sunshine  
Ooh  
Waiting for the sunshine  
Waiting for the sunshine

I don't wanna sleep  
I don't wanna miss a thing  
Somethings happening to me  
I'm looking for the sunshining  
Oh, I feel like a dream  
Honey, when the light kicks in  
I'm somewhere in between  
But you don't know how long I've been

Waiting for the sunshine  
Waiting for the sunshine  
Ooh  
Waiting for the sunshine  
Waiting for the sunshine  
Ooh  
Waiting for the sunshine  
Waiting for the sunshine  
Ooh  
Waiting for the sunshine  
Waiting for the sunshine  
Ooh
