

Wait For You

Elderbrook

I should pace myself
I should pace myself
And I should wait for you darling
I should pace myself
I should pace myself
And I should wait for you darling

Wait for you, wait for you
Wait for you, wait for you

Head on my shoulders hazy
Like an empty place that we've been
I'm on fire, burning, fading baby
And the head on my shoulders hazy

I don't wanna stop
I don't wanna stop
I don't wanna stop

I should pace myself
I should pace myself
And I should wait for you darling
I should pace myself
I should pace myself
And I should wait for you darling

Wait for you, wait for you
Wait for you, wait for you
