

Wasted On You

Elderbrook

I'm wasted on you
I'm wasted on you
I'm wasted on you
I'm wasted on you

I'm wasted
Underrated
I'm still chasing
A sweet sensation
Patient
Though it's fading
I still taste it
The sweet sensation

I'm wasted on you
I'm wasted on you
I'm wasted on you
I'm wasted on you

I'm wasted on you
I'm wasted on you
I'm wasted on you
I'm wasted on you
I'm wasted on you
I'm wasted on you

I'm wasted
I'm wasted

I'm wasted on you
I'm wasted on you
