Sweetest Girl

Eleanor Friedberger

Sweet girl with a broken heart
Sweet girl with a broken heart
Sweet girl with a broken heart
Stop crying so I won't start
Sweet girl with a broken heart
Sweet girl with a broken heart
Sweet girl with a broken heart
Stop crying so I won't start

The sky is red, and so are your eyes
From crying, crying, crying
The sea is blue and so are you
Oh, baby tonight
I? Why?

Sweet girl with a broken heart
Sweet girl with a broken heart
Sweet girl with a broken heart
Stop crying so I won't start
Sweet girl with a broken heart
Sweet girl with a broken heart
Sweet girl with a broken heart
Stop crying so I won't start

The sky is red, and so are your eyes
From crying, crying, crying
The sea is blue and so are you
Oh, baby tonight
Why? I?

You're always wasting every day
I'm always hoping that he'd stay
I'm always waiting, but you're already there
No, you sit and you stare
