

# Only One Thing Is Needed

Electrelane

I'm going out again  
I'm going to meet that girl  
I saw her looking so fine I said I've got to go on over

You got it, you got it, you you you got it  
You're gonna be my girl  
I saw you looking so fine I said I've got to go on over

I'm going out to meet her  
I'm going out to meet her
