

Max It Out

Electric Guest

Ooh-ooh-ooh-ooh
I'll max it out one time
Ooh-ooh-ooh-ooh
I'll max it out one time for you

You should never worry
You've been here a long time
Now you're in a hurry
Feels like a long way home

You're just the light I follow
Right now you just can't see
I'll feel the same tomorrow
'Cause a good thing is falling on me

Ooh-ooh-ooh-ooh
I'll max it out one time
Ooh-ooh-ooh-ooh
I'll max it out one time for you

One time for you
I'll max it out one time
One time for you
I'll max it out one time for you

And I know they go on and on and on
I know you're growing tired of me
Thankfully I'm still the only one
Taking the long way home

And even when you're nervous
Or you're feeling out of order
I'm somewhere right next to you
Singing you the chorus

Ooh-ooh-ooh-ooh
I'll max it out one time
Ooh-ooh-ooh-ooh
I'll max it out one time for you

One time for you
I'll max it out one time
One time for you
I'll max it out one time for you

One time for you
'Cause I know it's overdue
One time for you
So I raise my glass to you

Raise it up, raise it up
Raise it up
Raise it up, raise it up
Raise it up

Max it out one time
I'll max it out one time for you
