## **Birmingham Blues**

## **Electric Light Orchestra**

Working on the road across this great big world I've been rolling like a stone, I never get back home Yes, I've been long-gone And boy, I've got the Birmingham Blues

I been across the ocean to the south sea isles  $\mbox{\it Yeah,}$  I traveled to the east and west for miles and miles

And I've been long-gone
Boy, I've got the Birmingham Blues

Across the world I've seen People and places Could be the same But with a different name

I wouldn't change the things I do for anything
But I'd just like to hear the message of the streets again
Give me a ticket
'Cause boy, I've got the Birmingham Blues

It may be kind of homely but it sure is sweet Industrial revolution put it on its feet But it's a long, long way
Boy, I've got the Birmingham Blues

Across the world I've seen People and places Could be the same But with a different name

I'll go and stay awhile and all the folks I meet
They'll say, "You won't stay long, you got them traveling feet
You'll soon be long-gone
'Cause boy, you got the rest of the world blues!"

Across the world I've seen
People and places
Don't you know it could be the same
But with a different name

Across the world I've seen People and places Could be the same But with a different name
