

Bluebird Is Dead

Electric Light Orchestra

Little darlin' of my life
You keep movin' 'cross my mind
You gave me a sunny day
Now it looks as if I'll pay

Why do they say Bluebird is dead?
I can still see her, touch her my Bluebird
The love that she gave I don't believe
No, no, I don't believe

Bluebird came to me tonight
Waiting patiently for light
She said "I know that you will grieve
But my darlin' I must leave"

Why do they say Bluebird is dead?
I can still see her, touch her my Bluebird
The love that she gave I don't believe
No, no, I don't believe

Bluebird say it is not so
Please I cannot hear you speak
It must be that you're so tired
In the darkness of the night

Why do they say Bluebird is dead?
I can still see her, touch her my Bluebird
The love that she gave I don't believe
No, no, I don't believe
