## **Electric Light Orchestra**

```
I'm alive - and the world shines for me today
I'm alive - suddenly I am here today
Seems like forever (and a day), thought I could never (feel thi
s way)
Is this really me? I'm alive, I'm alive
I'm alive - and the dawn breaks across the sky
I'm alive - and the sun rises up so high
Lost in another world (far away), never another word (till toda
y)
But what can I say? I'm alive, I'm alive, I'm alive
(Instrumental break)
Suddenly came the dawn (from the night), suddenly I was born (i
nto light)
How can it be real? I'm alive, I'm alive, I'm alive
I'm alive - and the world shines for me today
I'm alive - suddenly I am here today
Seems like forever (and a day), thought I could never (feel thi
s way)
Is this really me? I'm alive, I'm alive, I'm alive
(Instrumental break)
I'm alive, I'm alive, I'm alive, I'm alive
