Moment In Paradise

Electric Light Orchestra

Oh, yeah

She never cried, she only tried To fly beyond her dreams No walls around her mind

Deep inside she'd try to hide That she was way beyond her means No borders and no lines

She said that it's your duty to save your soul To save it for someone Moment in paradise Just a moment in paradise Oh, yeah

Moment in paradise

Just a moment in paradise

Oh, yeah

She floated out upon the wind That blew my thoughts into the night She knew the things she had to know

She drifted high above my mind Blew my brains out, did alright I think she knew it all along

She said that it's your duty to save your soul To save it for someone Moment in paradise Just a moment in paradise Oh, yeah

Moment in paradise

Just a moment in paradise

Oh, yeah

Oh, yeah, oh, yeah, oh, yeah

She said that it's your duty to save your soul To save it for someone Moment in paradise Just a moment in paradise Oh, yeah

Moment in paradise
Moment in paradise
Moment in paradise
Moment in paradise
Oh, yeah
Moment in paradise
Moment in paradise
Just a moment in paradise
