

Dr. K

Electric Six

Yeah

C'mon

Oh yeah

An apple a day keeps the doctor away
But what keeps the doctor awake?
Looking back at it all, now what can you say?
Now you give too much day

Dr. Kowalski was a young man who had it all
Dr. Kowalski became a dumb man and headed for the fall
It's safe to say that Dr. K don't give a fuck about money

So let's party
Yeah, let's party
Dr. Kowalski
Let's party
Yeah

Na, alles klar? Alles gut
I always party like a shoot
Go big or go home, France or Rome
Go to Hollywood

Dr. Kowalski throws himself a party every night of his life
Dr. Kowalski touches you, check you when you go under his knife
It's safe to say that Dr. K don't give a fuck about money

So let's party
Yeah, let's party
Dr. Kowalski
Come on, let's party

Let's party
Alles gut
Let's party
Let's party
Let's party
(Let's party)
