

Roulette!

Electric Six

Every time I look into your eyes
It's roulette, it's roulette, it's roulette
Every time I cut into all your wires
Disconnect, disconnect, disconnect

In a game with terrible odds
And with no help from your terrible gods
I'm building my own casino
Gonna take it all away
I guess this ain't my day
I should have walked away
I should have walked away, yeah!

Every time I look into your eyes
It's roulette, it's roulette, it's roulette
Every time I cut into all your wires
Disconnect, disconnect, disconnect

Lady luck in a sequined dress
Where it lands is anyone's guess
All of those words I wish I could take back
All the time spent on red, when I should have bet on black
I'm a slot machine, let me tell you what I mean
I'm a slot machine, let me tell you what I mean
I'm a slot machine, gonna tell you what I mean
I take all your money, and I turn you green
Come on, I wanna lick the screen

Every time I look into your eyes
It's roulette, it's roulette, it's roulette
Every time I cut into all your wires
Disconnect, disconnect, disconnect

It's roulette, it's roulette, it's roulette
It's roulette, it's roulette, it's roulette
