

Yah Mo Be There

Electric Six

Heavenly father, watching us fall
We take from each other and give nothing at all
Well, it's a doggone shame, but never too late for change, yeah
So if your luck runs low, just reach out and call His name, His
name

Yah mo be there
Yah mo be there
Yah mo be there
Yah mo be there
Whenever you call

Never be lonely, lost in the night
Just run from the darkness, looking for the light
'Cause it's a long hard road that leads to a brighter day
Don't let your heart grow cold, just reach out and call His nam
e, call His name

Yah mo be there
Yah mo be there, whenever you call
Yah mo be there
Yah mo be there

(Yah will be there) you can count on it brother
'Cause we're all just finding our way
(Traveling through time) people got to keep pushing on
(No matter how many dreams slip away) Yah will be there

Well, it's a doggone shame but never too late for change
So when your luck runs low, just reach out and call His name, c
all His name

Yah mo be there
Yah mo be there
