

# Binary Outbreak

Electric Valentine

Another outcome  
I get it  
I get it  
We're all just numbers separated by a digit

And who will save you now? x2

We will not sit around and wait to die x4

Binary outbreak  
Obsessive  
Obsession  
We have to code all the ones and zeros of discretion x2

And who will save you now? x2

We will not sit around and wait to die x4

(have we found a way out yet?)

We will not sit around and wait to die x4

We will not sit around and wait to die x3

Binary outbreak  
Obsessive  
Obsession  
We have to code all the ones and zeros
