

## The 1st & Last Time

Electric Valentine

Reduce it down  
To good intentions that lost their meaning  
Now you're sleeping sound (now you're sleeping sound)  
Like there's not a million reasons to leave me  
Which one will you choose?  
What is there left to lose?

[Chorus]

We'll never be this young again (Why wait forever?)  
We'll never be this close again (Please don't say never)  
We'll never be this young again  
We'll never be this close again  
(This close again [why wait, why wait?]) x3

Another drink or three (another drink or three)  
Jack Daniels is the only friend I've got tonight  
Don't blame it all on me (don't blame it all on me)  
It seems wrong to win this with another fight  
Can you just hold it back?  
Save the words for last?

[Chorus]

[Bridge]

How can you just give up? x2  
How can you just give up? (Was it that easy?) x4  
Easy, easy
