I, The Witchfinder

Electric Wizard

I am Albino, evil witchfinder
I'll cleanse her sins, for witchcraft I condemn her
My implements of torture are bloody red
Your confession to sorcery will leave you dead
Will leave you dead
Will leave you dead

I am Albino, evil witchfinder
I know she's guilty before I find her
I'll pierce her flesh to find his mark
Torture, my pleasure, true servant of the dark
True servant of the dark

I, the witchfinder

I, I, I, I...
