

Friend Lover

Elektrik Red

[Chorus:]

He's My, Friend Lover. Lover Like No Other
Fills Me Up When I'm Running Low On Love.
He's My, Friend Lover. Lover Like No Other
He Fills Me Up When I'm Running Low On Love.

[Verse 1:]

I, Just Take The Phone. Dial Him Up. Tell Him What I Want
Need A Little This, Need A Little That.
Down The Front, Down The Back.

[Bridge:]

He Don't Wanna Talk About Where I Been,
I Don't Wanna Talk About What He Did.
For Me He'll Leave His Homies.
Come Over And Put It On Me.
He Don't Wanna Talk About What We Do, It's Just Between Us 2.
He's My Man. All Day. All Nite. He's My Boo

[Chorus:]

He's My, Friend Lover. Lover Like No Other
Fills Me Up When I'm Running Low On Love.
He's My, Friend Lover. Lover Like No Other
He Fills Me Up When I'm Running Low On Love.

Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh, Friend Lover
(Friend Lover)
Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh

[Verse 2:]

I'm Busy When He's Gone.
He Will Know There's Nothing Set In Stone.
He Could Be My Man, If I Wanted Him To.
But I Forbid, I'll Never Break The Rules.
Rule 1: No Poppin' Up, Up Unannounced
Rule 2: Never Leave Your Clothes At My House
Rule 3: Can't Speak, If You See Me When I'm Out
Rule 4: You Can't Stay Past 5, I Gotta Be At Work By 9

[Bridge:]

He Don't Wanna Talk About Where I Been,
I Don't Wanna Talk About What He Did.
For Me He'll Leave His Homies.
Come Over And Put It On Me.
He Don't Wanna Talk About What We Do, It's Just Between Us 2.
He's Not My Man. All Day. But All Nite. He's My Boo

[Chorus:]

He's My, Friend Lover. Lover Like No Other
Fills Me Up When I'm Running Low On Love.
He's My, Friend Lover. Lover Like No Other
He Fills Me Up When I'm Running Low On Love.

Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh, Lover, Lover. Lover
Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh, Huh-uh

He Don't Wanna Talk About Where I Been,

I Don't Wanna Talk About What He Did.
For Me He'll Leave His Homies.
Come Over And Put It On Me.
He Don't Wanna Talk About What We Do, It's Just Between Us 2.
He's Not My Man. All Day. But All Nite. He's My Boo

[Chorus:]

He's My, Friend Lover. Lover Like No Other
Fills Me Up When I'm Running Low On Love.
He's My, Friend Lover. Lover Like No Other
He Fills Me Up When I'm Running Low On Love. [x2]
