

# Destiny

Eleine

Made mistakes that  
Can never be pardoned  
Swore and oath that  
Can never be broken

Bound to a future  
Tied to destiny  
I'm cursed to a faith  
That spans eternity  
Forever damned  
It is my destiny

Came to terms with  
Apparent dishonor  
Came to closure with  
Whom I've been become

Bound to a future  
Tied to destiny  
I'm cursed to a faith  
That spans eternity  
Forever damned  
It is my destiny

Bound to a future  
Tied to destiny  
I'm cursed to a faith  
That spans eternity  
Forever damned  
It is my destiny

Bound to a future  
Tied to destiny  
I'm cursed to a faith  
That spans eternity  
Forever damned  
It is my destiny
