

Another side of me  
Sanity  
Another side of me

Bend to the will and demands of another  
Deny the freedom you had  
(Never forget)  
Sanity  
(Never give in)

Tame and seduce or let hate be your lover  
Embrace the darkness you have  
(Heed my calling)  
(Fear me)  
(Regret nothing)

Hatred crawls on my skin  
Cracks me but never gets in  
I can't lose my sanity  
Drowning tortured within  
Break me be faced with a grin  
I can't lose my sanity

I wash my hands in their blood  
I'm their mother  
I walk along with the damned  
(Never forget)  
Sanity  
(Never give in)

Hatred crawls on my skin  
Cracks me but never gets in  
I can't lose my sanity  
Drowning tortured within  
Break me be faced with a grin  
I can't lose my sanity

Hatred crawls on my skin  
Cracks me but never gets in  
I can't lose my sanity  
Drowning tortured within  
Break me be faced with a grin  
I can't lose my sanity

Another side of me  
Sanity  
Another side of me  
Sanity
