

# Suffering

Eleine

Who said life's easy  
I'm on my knees suffering

Grasping life  
I hope I'll survive

Suffering  
Beaten by my own mind again  
Falling  
I'm tearing myself apart

Facing fears, I'm torn  
Yet life makes sense somehow

Grasping my life  
I will survive

Suffering  
Beaten by my own mind again  
Falling  
I'm tearing myself apart  
Suffering  
Seeing myself from the other side  
Mourning the past  
You won't stay alive

Suffering  
Beaten by my own mind again  
Falling  
I'm tearing myself apart  
Suffering  
Calling myself from the other side  
Accepted the past  
I survived
