

Little Joy

Eleni Mandell

I don't drive a fancy car
I don't know where life is taking me, near or far
But I don't need big games or toys
I've got a smile on my face, I've got my little joy

I have fallen hard and fast
Big dreamer, I believed that we could make it last
I don't need that movie show
It was empty in the past but now my heart is full

Oh, little joy
Every day I am grateful
Tears from my soul just because
I am thankful

See there how I used to be
It was hard to hear the music, couldn't dance or sleep
And just like a miracle
I was turning up the radio

Oh, little joy
Every day I am grateful
Tears from my soul just because
I am thankful

Make believing was the only way
Till I found I didn't need to fake it
Now I'm here and I know that's ok
Where I am is big, much bigger than the ones who make it

Oh, little joy
Every day I am grateful
Tears from my soul just because
I am thankful

Oh, little joy
Tears from my soul just because
I am thankful
