

## Feels

Elephant Kind

I wanna live forever  
Though forever feels long  
I wanna keep all the things that I have  
All the love that's been given

But only you can take it away  
Please just don't leave it this way  
Only you can take it away  
But not now

I'm probably writing  
Or I probably drink  
We're most likely sinking  
Our words have no meanings

But only you can take it away  
Please just don't leave it this way  
Only you can take it away  
Not now

Live high  
Go far  
We dance  
'Til we die  
We cry  
'Til we try again  
We summon the moon  
And kiss it goodbye  
I am flesh  
You are clay  
We rage  
And we lay it down  
I'll do it all over  
I'll do it forever  
Na, na na na  
Na, na na na
