

Nowhere

Elephant Kind

Loving's hard
Without touch
Longing for someone
Who's on my mind
But this
Dutch pillow feels
So unreal
Same reveal
Different thrill

Oh
I'm never going
Nowhere
I'm never
I'm never
I'm never going
Nowhere
I'm never

I don't want to go outside 'cus now I fear
That it will haunt me
Forever, forever
Staying inside makes me like less human
I hope it won't take
Forever, forever

Oh
I'm never going
Nowhere
I'm never
I'm never
I'm never going
Nowhere
I'm never

I'm never going
Nowhere
I'm never
I'm never
I'm never going
Nowhere
I'm never

Loving's hard
Without touch
